

Natural Elements Body Care

Self Indulgence's all-natural body care line consists of 5-6 products per fragrance line, which includes a Body Serum lotion, Body Suds shower gel, Sugar Body Scrub or Salt Body Scrub, Body Soak and Body Spritz. We believe that women have many Natural Elements or needs at different times of their lives or days. We have created the following fragrance lines to address these different needs:

Solace: Contains a soothing blend of Lavender Lavandin, Juniper Super, Orange, Geranium, Cedarwood, Wild Marjoram and Omanese Frankincense. To find what we truly believe in and what really makes us happy, we need to be quiet with ourselves. This line of body care is developed to take you to that deep state of quiet to discover your **Solace**.

Sassy: Contains a fun and inspiring blend of Lemongrass, Bergamo, Eucalyptus, Cinnamon, Grapefruit, Lavender Orange, Geranium, Clove & Wintergreen. We all have a Sassy side, we are making it our mission to help you find yours and let her be. This fabulous line of body care products is as fun to use as it is beneficial to mind, body and spirit.

Rebound: Contains an uplifting blend of Mandarin, Lemon, Bergamot, Tangerine, Lime, May Chang, Lemongrass & Fir Needle. When a quick pick-me-up is what you need, shower yourself with this inspiring line of body care products! We developed this line to have uplifting properties to **Rebound** the mind and a great sense of energy for your body.

Repair: Contains a skin-soothing blend of Rosehip Oil, Clary Sage, Rosewood, German Chamomile, Lavender, Blue Tansy, Helichrysum, Red Tea Extract and Seabuckthorn Oil. Skin irritations and ailments can get in the way of life; it's time to do something about them. We have developed this line of body care to be healing to the skin as well as the mind. Developed with an exclusive blend of extracts and essential oils known for their incredible healing properties. We guarantee you will not find a better body care system to **Repair** your skin.

Naked: Totally unscented. We have created this **Naked** line for those who have allergies, sensitivities to scents or would like to learn to blend their own body care products. Also a great alternative to those taking homeopathic treatments that aromatherapy may interrupt.

Intrinsic: A youth inspired blend of Orange California essential oil and Vanilla fragrance oil. Of or relating to the essential nature of a thing. Each time you use a product from this line, remind yourself of your natural element, your **Intrinsic** worth.

Feminine: An indulgent blend of Jasmine, Orange, Lemon and Rosewood. This line is the most indulgent and sensuous line yet! Let this line bring out and enhance your **Feminine** element.
